

THIS IS JIM

F2E DESIGNER

Made by lovely mom. Comes from Taiwan.

He's not a **designer**, he's not a **programmer** either. He just likes to play something different and makes things attractive. He attends to **create epic works**, but at the same time, he definitely understands that he is such powerless on his own.

He'd like to be a part of a great team so bad, and always loves to be.

THE FRONT-END DESIGNER AT UKEAS SINCE 2016

As a project owner, collaborating with the marketing team and IT team.

THE UI/UX DESIGNER AT AI GROUP FROM 2013 TO 2015

Developing the AI Group & MOT's enterprise information portal website. Like storage system, project manage system, income charts... etc

THE FREELANCE ART DIRECTOR AT GOAWAY IN MY SPARE TIME

Designing a travel-recording android app. Deal with logotype, user interface, icons, visual identity, guideline and website design.

THE STUDENT AT TAMKANG UNIVERSITY FROM 2005 TO 2009

I received a Bachelor of Engineering in Electrical Engineering.
